Are you concerned about the growing National Debt Are you unemployed and cant find a job Do you believe that our government is out of control Do you feel helpless and dont know what to do to help If you answered these questions with a YES then you need to look into the principles of this book and get started learning how one person can join up with many others to make changes that will fix these problems. Inside this book are many common sense suggestions about what needs to be looked into in America and what can be done to start making the changes necessary to create more jobs, getting control of the government and reducing the national debt. Learn what others are doing and find out why the Tea Party Movement is the way to get our country back. Gary Barbknecht grew up on a farm in rural Indiana attending school in a small town. His mother was a 4th grade school teacher in the same school in the same building. Parent Teacher Associations (PTA) was the norm in those days so Gary was familiar to both sides of the teaching profession and sat in on meetings pertaining to school materials and issues. After high school, Gary attended college at Purdue University received his bachelors degree in Electrical Engineering in 1965. Gary worked in the electronics industry for 42 years, part of the time as a contractor fabricating military electronics and part of the time as an adviser to the air force in the procurement of aircraft systems. Gary retired in 2007 just as the recession took hold and watched his retirement savings melt to nothing. After 3 years in retirement...
