## HIDDEN MANNA MATTHEW

[DOWNLOAD](#)

Paperback. Book Condition: New. Paperback. 342 pages. An in-depth look into the Book of Matthew. Source scripture is from The Concordant Literal New Testament, which uses the most ancient Greek scriptures, with regard to the New Testament. While most Bibles use ancient Greek scriptures, they reflect the ideas, and wishes of the Roman Government. The most ancient Greek scriptures give you the original meanings, before they were altered by Gentiles. The differences shown clear up many seemingly contradictory, and significant events. With in-depth study, we can determine not only the day of the year Jesus was birthed, but also the year - and it isnt 1 RC (Roman Calendar). Many have determined that it was actually 3 BRC (before the Roman Calendar), because He had to have come on a year in which there was a Roman Census. The Romans had a census every 20 years. My studies, and by prayer, show He must have come on 17 RC (it meets the 20 year rule (census year)). This is strengthened when we realize that in 2017, Jerusalem has a Jubilee Year (1967 - 2017) -and- it will be the seventy year anniversary of the discover of the Dead Sea Scrolls. Additionally, Israel will celebrate its seventy year anniversary in 2018 (1948-2018), and it will be the 40th anniversary of the Israel-Egyptian peace treaty. Realizing these facts gives us a clue to the approximate date of His return, which (in turn) gives us a good ideal of when the end time curses occur. Current events seem to hold this to be the case! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
