John Blake Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, Birds, Bees and Educated Fleas: An A -Z Guide to the Sexual Predilections of Animals from Aardvarks to Zebras, Bruce Montague, 'Birds do it, bees do it, even educated fleas do it.' So wrote Cole Porter in his famous song from 1928, 'Let's Do It, Let's Fall In Love'. To which Bruce Montague, author of this enlightening and amusing collection, silently replied, 'Yes, but how do they do it?' Birds, Bees and Educated Fleas is an amusing A - Z of the courtship and mating habits of animals - including Homo sapiens sapiens. From well-hung South American drakes to shy camels arranging secret love trysts, female chameleons whose skin darkens when they're no longer in the mood to giraffes who swing their hips and swish their tails when they're feeling frisky, oysters that can change sex pretty much at will to stud rhinoceroses that can copulate three or four times a day for a week, this is a wide-ranging, light-hearted but well-researched look at the world of animal love and lust. Arranged alphabetically by species, here is the perfect handbook for any peeping Tom or Tomasina who wants to know what goes on in the animal world behind the - metaphorical - bedroom curtains.
