BRAND NEW, Love Gently Falling, Melody Carlson, Rita is living her dream of working as a hairstylist in Hollywood when her father calls with news that her mother has suffered a terrible stroke. When she gets home to Chicago, she finds her mother is healing but will need a lot of time to recover. Worse, without being able to run their family-owned salon, her mother could lose the business. Determined to help, Rita realizes what the struggling salon really needs is a complete make-over. Rita is determined to get the salon back to its former glory by Valentine's Day, which happens to coincide with the reopening of the nearby skating rink that she loved as a child. She only has her small personal savings and a short amount of time off of work to get the job done. But she also has the help of old friends, including Johnny, a former classmate who now works for Jolly Janitors, the company that cleans the salon. Rita is surprised at how well they connect and how much he is willing to do to help her. Though Rita believes Johnny is only being kind, with romance in the air their friendship may just fall into something more.
