Andrews McMeel Publishing. Paperback / softback. Book Condition: new. BRAND NEW, Golf: How Good Do You Want to Be?, Bill Kroen, William C Kroen, Dorothy O'Brien, Golf's popularity has gone through the roof in the last five years. It is now a \$26 billion industry, with approximately 26 million golfers. A stream of golf picture books and mediocre how-to books followed this surge. But, finally, here's an easy to read and understand instructional book to help adult players sharpen their skills. Most golfers never improve once they reach adulthood. Author Bill Kroen wants to help those golfers get past that and take their game to a new level. Readers will learn how to learn the game, not just how to swing; they'll gain a greater sense of awareness of the total golf experience, and they will finally learn how to take their practice game to the golf course. Drawing on his background in psychology, Kroen directs his readers to envision the results they want. Then they can put what they read into practice without the confusion caused by most instructional books. Golf: How Good Do You Want to Be' offers a blueprint for resourceful practice and practical application with chapters including "The Mental Connection," "The Art of Practice," "Thinking Your Way Around the Course," and "Scoring Well." Bill Kroen is the author of Andrews McMeel's Golf Tip-a-Day Calendar, which has sold more than one million copies since its first year of publication.
