BRAND NEW, Multi-sensory Church: Over 30 Ready-to-use Ideas for Creative Churches and Small Groups, Sue Wallace, Following on from the success of "Multi-Sensory Prayer", this great photocopiable resource book has new ideas for prayers using more than just reading and writing. It contains two labyrinths for use at Christmas and Easter to take you on a symbolic prayer journey to meet with God; with drama scripts, stories, hints and tips to help use the different senses in worship. The multi-sensory activities can enhance meetings and services, and encourage people to experience prayer in a new way. The previous book warned that you could end up excited about prayer, this book could get you excited about church.
