THE SACRED HISTORY: HOW ANGELS, MYSTICS AND HIGHER INTELLIGENCE MADE OUR WORLD

Quercus. 1 Cloth(s), 2013. hard. Book Condition: New. The history we are taught in school is secular history, posits Jonathan Blackbut what if the central claims of world religion are true? This follow-up to The Secret History of the World presents an epic story of human interaction with angels and other forms of higher intelligence, from the Creation to the operations of the supernatural in the modern world. Black's alternative history spotlights great men and women variously guided by angels or demons and brings together Krishna, Moses, Buddha, Elijah, Mary and Jesus, Mohammed, Joan of Arc, Abraham Lincoln, and the Hungarian Jews persecuted by the Nazis, as well as stories from African, Native American, and Celtic traditions. "A new bible for the New Age, weaving mystical traditions from East and West, astrology, alchemy and angels into one amazing, life-enhancing story."Gyles Brandreth."An aesthetic delight. But, more importantly, it deserves to be studied and read. Black is that rare thing: an author who is at once deeply esoteric and highly accessible. With The Secret History and The Sacred History, Black is doing for spirituality what The God Delusion and God is Not Great have done for materialism. Let's hope he opens the floodgates."New Review 510.
