Reviews

This ebook might be worthy of a go through, and much better than other. Of course, it is actually perform, still an amazing and interesting literature. I am just happy to inform you that this is the greatest pdf i actually have study during my very own life and might be he very best book for ever.
(Kristina Connelly)

HISTORICAL PAPERS, VOL. 5 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Historical Papers, Vol. 5 It is perhaps hardly necessary to follow the precedent set in the four previous volumes by prefixing a short Preface to this new accession to the Historical Papers. I may be allowed, however, to call special attention-to the first and second of the papers composing the present volume. It is not so much because it secures a Protestant succession to the throne that Catholics feel outraged by the Coronation Oath. To that we are more or less resigned. Our objection is that the terms of the present oath offer a gratuitous insult to the adherents of the ancient faith, as is powerfully brought out by Father Bridgett. In the short account of Blessed Thomas Percy, the recently beatified Earl of Northumberland, it is made clear that, contrary to what our ordinary History Books tell us, the Northern Rising in 1569 was not an act of treason against a lawful sovereign, but the resistance of northern Catholicism to the attempt to suppress it by persecution. The Landing of St. Augustine explains the significance of the recent celebration of the Thirteen Hundredth Anniversary of the coming of our great English Apostle. The Hungarian Confession is an interesting illustration of the frauds by which the early Protestants succeeded in raising a prejudice against the Catholic Faith. The Reformation at St. Martin s, Leicester extracts from the parish registers of that church an object-lesson in the true character of the Reformation changes. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
