Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE BOOK OF JOSHUA, VOL. 4 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Book of Joshua, Vol. 4 The Book of Joshua relates the history of the conquest of Canaan under the lead of Joshua, the successor of Moses, the division of the conquered land among the tribes of Israel, and the provision for the settlement of the theocracy in that country. The Book of Judges continues the history of the theocracy from the death of Joshua to the time of Eli, under the administration of thirteen Judges, whom God raised up in special emergencies for the restoration of social order and deliverance from foreign oppression. It covers the transition period of about three hundred years from the theocratic republic to the theocratic monarchy. The Book of Ruth is a charming episode of domestic virtue and happiness, in striking contrast with the prevailing character of this period, when might was right, and every one did that which was right in his own eyes. It teaches the sure reward of filial devotion and trust in God, the proper use of the calamities of life, the overruling providence of God in the private affairs of an humble family as well as in the palaces of priuces and the public events of nations. It also shows how God had children outside of Canaan and the Jewish theocracy. The incorporation of Ruth, the Moabitess, into the Church of the Old Testament, may be regarded as an intimation of the future call of the Gentiles to the gospel salvation. The story of Ruth is told with touching simplicity. Gothe (Westostlicher Divan, p.8) says: It is the loveliest thing, in the shape of an epic or idyl, which has come to us....
