Reinventing Life: A Guide to Our Evolutionary Future

By Jeffrey Scott Coker

Blue Helixbook Marketing Service Ltd, United States, 2012.
Paperback. Book Condition: New. 214 x 138 mm. Language: English . Brand New Book ***** Print on Demand *****.During the 21st century, humans will make choices that will profoundly impact the future of life. Will we restore ecosystems or continue to degrade them? Could regenerative medicine allow us to live for hundreds of years? How might we enhance ourselves through genetics or robotics? Should we resurrect extinct species? Will we spread life to other worlds? What should be our role in nature? Reinventing Life - A Guide to Our Evolutionary Future is a captivating tour of how humans are rapidly and radically changing the biology of life, our options for the future, and our responsibilities as stewards of evolution. Jeffrey Coker has been able to finally accomplish what so many others have tried to describe-he shows us how our lives, biology and the environment are all interconnected, and how we can influence our future in so many ways. Reinventing Life is a must read, from students to CEOs-basically, everyone who is interested in how they can impact and benefit from our world's inevitable changes. - Anthony Atala, director of the Wake...

Reviews

The publication is fantastic and great. It really is basic but shocks from the 50 percent from the ebook. Its been written in an remarkably easy way in fact it is only soon after i finished reading this ebook in which really changed me, alter the way in my opinion.
