21st Century Christian, Inc., United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This is not your commonplace angel book. As eyewitnesses to His glorious nature, angels draw the men and women they encounter closer to God by sharing His holiness, love, justice, and sovereignty. O Neal offers fresh and unique insights into the stories of these mysterious beings by combining a deep knowledge of Scripture with personal experiences from his 31-year career at NASA. Questions at the end of each chapter allow for personal reflection or easy discussion in a Bible class or group setting. Mike O Neal brings together the analytical gifts of a NASA engineer, the heart of a servant of Christ, and the rich experiences of someone who has integrated his faith with life experiences into a study that enriches your relationship with God. - Evertt W. Moore, President, Christian Home Bible School This is a delightful little book. Michael O Neal has not only given us a very enjoyable and readable survey of the biblical stories about angels, but he has reminded us of the many ways that these incredible creatures point us...
