

John Peter Zenger and the Fundamental Freedom

By William Lowell Putnam

McFarland & Co Inc. Paperback. Book Condition: new. BRAND NEW, John Peter Zenger and the Fundamental Freedom, William Lowell Putnam, In 1733, John Paul Zenger began to print the New York Journal, the newspaper that was to change Zenger's life and the direction of journalism in colonial America. The material published in the Journal so incensed Sir William Cosby, the royal governor, that Zenger was arrested for seditious libel. Zenger's case was taken on by Andrew Hamilton, the foremost lawyer in the colonies, and after several months in prison the printer was found innocent. The case became a landmark of journalistic freedom, establishing that truth was the ultimate defence against charges of slander or libel, and was both emblem and incitement of America's belief in a free press. This work traces Zenger's life, the development of what was to become the U.S. Constitution's First Amendment freedom in the colonies, and its subsequent evolution on both sides of the Atlantic.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is writter in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
