Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Not illustrated. 1841 Excerpt: .tribe, the Khoshud, live on the banks of the Lower Volga, on both sides of the river. The first tribe is the most numerous, consisting of 12,000 kybitkas, or families; the four latter, taken together, probably fall short of the number. In summer a part of them live chiefly on the produce of the chase, of which the saiga antelopes are the principal object, but in winter they depend only on their herds. They wander about with their flocks and herds in the immense steppes. In a country which has hardly a few patches of cultivable land, the Calmucks by able management have succeeded in maintaining horses, cattle, camels, sheep, and goats to the number of three millions of heads. The value of the goods exported from their country to other parts of Russia is estimated at one million and a half of rubles. They consist of wool, hair, tallow, lamb and sheep skins, hides, and fur. The Calmucks are Buddhists, and the only nation in Europe which professes that religion. They have the different classes of priests found among the Buddhists, as lamas, gelonghi, gezuli, and mandshicami, and up to the end of the last century they were subject to the ecclesiastical authority of the Dalai Lama, who resides at Lhasa in Tibet, but in 1800 the emperor Paul induced them to choose their own Great Lama, to whom still the other lamas and priests are subject. The Calmuck are not immediately subject to the governor...
