

## Prophet of the New Millennium: Penicillin for the Soul

By Gregory Dark

John Hunt Publishing. Hardback. Book Condition: new. BRAND NEW, Prophet of the New Millennium: Penicillin for the Soul, Gregory Dark, "The Prophet of the New Millennium" is not chicken soup for the soul. It is penicillin. It is not a head cold we're suffering from today, but galloping consumption. There is a growing understanding that, just as the body is best treated by a holistic approach, so the bodies politic and economic. But there are charlatans galore in the world of contemporary medicine; likewise in the world of complementary life-styles. "The Prophet of the New Millennium" does not provide any answers. It is designed to help readers find their own answers - indeed their own questions. It is designed to help them separate their own truth from fiction, and their own sanity from madness.
