Mister B: Living with a 98 Year Old Rocket Scientist

By A L Byk

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.For curiosity seekers of aerospace and structural science, how did it all start? For story lovers of the Greatest Generation and World War II, for family members caring for aging parents. Mister B is a treasure worth unearthing! Who knew life could be so happily transformed by a busy young couple merging households with that of an eccentric stress engineer? Being politically correct is not Mister B's style. The reader is carried from tragedy to hilarity as his companions seek to please him with foodie experiments while coaxing Mister B to upgrade his 44 year-old home. Too bad the only non-controversial place to renovate the HUD-styled real estate is in the weedy backyard. If only the younger couple had not promised to save their 97-year-old Polish father from the nursing home! A triangle forms as they study and tentatively approach one another. The old man and his new companions gradually redesign a dry acre into a flowering conversation piece where mushroom collecting and the sources of hydrogen and iron are discussed. Interior design must...
