 BESTSELLER An elegant synthesis done by the leading scholar
 in the field, which nicely integrates the work on the American
 Revolution over the last three decades but never loses contact
 with the older, classic questions that we have been arguing
 about for over two hundred years. --Joseph J. Ellis, author of
 Founding Brothers A magnificent account of the revolution in
 arms and consciousness that gave birth to the American
 republic. When Abraham Lincoln sought to define the
 significance of the United States, he naturally looked back to
 the American Revolution. He knew that the Revolution not only
 had legally created the United States, but also had produced
 all of the great hopes and values of the American people. Our
 noblest ideals and aspirations-our commitments to freedom,
 constitutionalism, the well-being of ordinary people, and
 equality-came out of the Revolutionary era. Lincoln saw as well
 that the Revolution had convinced Americans that they were a
 special people with a special destiny to lead the world toward
 liberty. The Revolution, in short, gave birth to whatever sense
 of...
