Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

AN ESSAY ON CALCAREOUS MANURES

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1842 edition. Excerpt: .formation of prairies, (or lands divested of trees)--and the causes of, and remedies for malaria, rfnd its train of diseases, which serve, aided by the operation of the evil legislative policy of Virginia, so grievously to afflict this now otherwise most fortunate and highly blessed agricultural region. Various other articles will be presented, which will be but extensions of different parts of the foregoing text, and which will serve as additional proofs or illustrations of some of the positions before presented and maintained. NOTE I.--Extension of subject at page 54. Proofs or The Existence or Acid Soils, Furnished By The Recent Researches OF CHEMISTS. The Traiti de Chimie is a French translation, by Esslinger, of the voluminous and valuable work of the great Swedish chemist, Berzelius. The first edition of the original work, in the German language, and the French translation of it were in the course of publication at the same time; and the first volumes of the latter were published at Paris, before the latter volumes of the original work had been sent to the press at Stockholm. The sixth volume of the French translation, from which I have translated the following extract into English, was printed in 1832. It is not known to me whether the original work is in this country 1835. The following passages contain the opinions of Berzelius, and of other chemists, on humin and humic acids, or as called here, geine and geic acid, and which were referred...
