Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Montrose, and Other Biographical Sketches In the seventeenth century the tract of country called then, by the French, Acadia, by the English, Nova Scotia, was a debatable land. By right of discovery it belonged, beyond doubt, to the English; but the French made the earliest and most successful settlements on the coast. Without any very deep-seated faith, or fixed principles of action, the French people easily accommodate themselves to different modes of life; and their religious worship, the Catholic, which, in its devotion to outward forms and symbols, had become a kind of idolatry, found ready acceptance with the rude aborigines of North America. Little images of the Saviour, the Virgin Mary, the saints - these, and the simple cross, were of better workmanship, and altogether prettier, than the rude things of the same kind with which the savages had long been familiar; and they had, moreover, the same kind of virtues. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
