

Gardens for Small Country Houses

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

ZETICULA, United Kingdom, 2008. Paperback. Book Condition: New. 4th. 277 x 208 mm. Language: English Brand New Book ***** Print on Demand *****.Gertrude Jekyll (1843-1932) was an artist, craftswoman, writer, and gardener; she is perhaps the most famous garden designers of her time. Gardens for Small Country Houses was first published by Country Life in 1912, at a time when both Jekyll and Weaver were writing for the magazine. It covers the period when the Arts and Crafts Movement had evolved into country house architecture then complemented with gardens in the current style. Gardens for Small Country Houses is a practical handbook which combines invaluable information on period garden design, insights into craftsmanship, planting relationships and garden restoration, and creates a fascinating and now classic text. Gertrude Jekyll's co-author, Sir Lawrence Weaver (1876-1930), was architectural editor of Country Life. He became a civil servant during the First World War (1914-1918); in 1919, he founded National Institute of Agricultural Botany, Cambridge.
