

## Loose Leaf Practical Business Math Procedures w/Handbook, DVD, WSJ insert + Connect Access Card

By Slater, Jeffrey

McGraw-Hill/Irwin, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The Eleventh Edition of Practical Business Math Procedures provides innovative learning tools and real-world examples that will support, engage, and motivate business math students in the classroom. The goal of the 11th edition is to personalize the learning experience for all business math students to promote engagement, achievement, and lifelong learning. The text motivates with the integration of interesting real world examples and photos from the Wall Street Journal, Kiplinger's, and many other business journals. Jeffrey Slater's Practice Business Math Procedures is the most popular and widely used book for this course and it is carefully written and developed to support students with little math experience by providing summary practice tests, numerous exercises, supporting tutorial videos on DVD, and much more. This package includes access to McGraw-Hill Connect Business Math.

### Reviews

*An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Dominic Collins**

*This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.*
