More to Life Publishing, United States, 2013. Paperback. Book Condition: New. 202 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.A comprehensive guide to how you can avoid wasting your life on the fruitless games played by the human ego Today many people are trapped within tight boundaries defined by the ego games-the games of survival, security, power, control, competition, validation, responsibility and blame. With penetrating insight, the ascended master Jesus teaches that on our spiritual journeythe human ego plays games that are very similar to the ones played by Frankenstein s monster: The story of Doctor Frankenstein was inspired by the ascended masters in order to illustrate one of the fundamental properties of the ego. You will learn how to: -make LIFE decisions that turn your life experience positive -recognize the ego games and the illusions that hold back your personal growth -avoid having your life consumed by the ego s quest for security - overcome the ego s survival, control, validation, blame and competition games and find true validation from your spiritual self -take responsibility for yourself and stop feeling responsible for other people A person who controls the world is still inferior to one who controls...
