Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.

GROWING UP JACKSONVILLE: A 50S AND 60S RIVER CITY CHILDHOOD

History Press (SC), United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Jacksonville during the 50s and 60s was a wonderful and energetic place for the children who called it home. The northeast corner of the Sunshine State was the perfect and picturesque backdrop for some of America s timeless traditions. Mothers belonged to garden clubs and fathers played the golf links, while the children who grew up in Jacksonville frolicked on the warm beaches and fed peanuts to Miss Chic, the first elephant at the Jacksonville Zoo. They strapped on skates and held hands as they circled the rink of the famous Skateland, wandered down the stacks at Haydon Burns Library and crossed the many bridges that traversed Jacksonville s waterways. Join Dorothy Fletcher, former columnist for the Florida Times-Union, as she recounts the memories and adventures of the people who grew up Jacksonville.
