## IDYLL ARBORS THERAPY DICT 2E

[DOWNLOAD](#)

Idyll Arbor. Paperback. Book Condition: New. Paperback. 360 pages. Dimensions: 11.0in. x 8.2in. x 1.0in. This award-winning dictionary is a must for therapists! Today's Books, an industry review group, proclaimed that Idyll Arbors Therapy Dictionary was in the top ten percent of all books published in 2001 -- fiction and non-fiction -- based on clarity and quality of content. This book provides clear, useful definitions for thousands of terms that therapists in today's health care environment must understand to be effective members of the health care team. This is not just another medical dictionary. Definitions of diagnoses include not only the cause of the disease and common limitations, but also implications for therapeutic intervention. Terms such as bed and support surface, which get one or two lines in a medical dictionary, if they are defined at all, contain detailed information that helps therapists understand how they need to modify their therapy to provide the most effective treatment. Practitioners in occupational therapy, physical therapy, recreational therapy, speech-language pathology, chemical dependency counseling, art therapy, music therapy, social work, psychology, child life, aquatics, and education will find definitions that cross the boundaries of their respective fields and provide common understanding of terms. The dictionary improves understanding between disciplines and improves the quality of care for the patients, clients, and residents that are served. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
