Reviews

This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).

(Lorenz Vandervort)

Sutton Verlag Gmbh Sep 2013, 2013. Buch. Book Condition: Neu. 21x21x cm. Neuware - Fürth schmückt sich zu Recht mit zahlreichen Titeln: Denkmalstadt , Solarstadt , und Wissenschaftsstadt , aber auch Stadt aus einem Guss , Dorf mit 115.000 Einwohnern und Stadt der kurzen Wege , nicht zuletzt: Fränkisches Jerusalem . Auf brillanten Farbfotografien hat Stadtheimatspfleger Alexander Mayer die Schönheit seiner Geburtsstadt eingefangen. Sie führen in das kleinstädtisch anmutende Altstadtviertel St. Michael und in die von Klassizismus, Historismus und Jugendstil geprägte Innenstadt, die sich zwischen die Flussauen von Rednitz und Pegnitz schmiegt. Stimmungsvolle Aufnahmen zeigen die malerischen Außenorte mit ihren Schlössern, Dorfkirchen und Bauernhöfen. Eine ganz persönliche Liebeserklärung an eine hinreißende Stadt. Fürth is rightly called many names: Town of Monuments , Town of Solar Technology , and Town of Science , but also Town From One Cast , Village with 115,000 Citizens , Town of Short Distances and Franconian Jerusalem . Alexander Mayer, official guardian of the town s cultural heritage, depicts his native town with splendid colour photographs. This virtual walk through town starts in the almost provincial appearing historic town centre St. Michael, then continues in the town centre, where classicism, historism and art nouveau are predominant and which is located between the meadows of the rivers Rednitz and Pegnitz. The picturesque outskirts of the town with small castles, village churches and farms are illustrated with impressive pictures. A very personal declaration of love for a captivating town. 84 pp. English, Deutsch.
