Zed Shaw has perfected the world s best system for learning Ruby. Follow it and you will succeed-just like the hundreds of thousands of beginners Zed has taught to date! You bring the discipline, commitment, and persistence; the author supplies everything else. In Learn Ruby the Hard Way, Third Edition, you ll learn Ruby by working through 52 brilliantly crafted exercises. Read them. Type their code precisely. (No copying and pasting!) Fix your mistakes. Watch the programs run. As you do, you ll learn how software works; what good programs look like; how to read, write, and think about code; and how to find and fix your mistakes using tricks professional programmers use. Most importantly, you ll learn the following, which you need to start writing excellent Ruby software of your own: * Installing your Ruby environment * Organizing and writing code * Ruby symbols and keywords * Basic mathematics * Variables and printing * Strings and text * Interacting with users * Working with files * Using and creating functions...
