

Make Your Own Lampshades

Filesize: 1.28 MB

Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CICO Books. Paperback. Book Condition: new. BRAND NEW, Make Your Own Lampshades, Elizabeth Cake, Add drama, warmth and fun to your lighting, with these original shades to make. Lighting is one of the most important elements of a room's decorating scheme, yet many of us opt for a plain fabric shade for that table lamp or pendant ceiling light. This fabulous new book from lampshade designer Elizabeth Cake shows you how a beautiful and unique lampshade can completely transform a room, with 35 wonderful projects for you to try. The first section explains in detail how to make the four basic lampshade shapes: drum, bell, Tiffany-style, and cone. Then Textiles includes ideas from fairy light shades made from vintage fabrics to a twisted ribbon drum shade and covers a number of simple techniques such as applique, cross-stitch, patchwork, or simple stitching. Paper, Card, and Wood includes simple designs using papier mache and origami, as well as ideas for upcycling. Metal has easy but effective ideas such as hanging old keys from a bell frame, as well as more challenging ones such as punching holes in copper sheeting to create an Art Deco effect. Finally, Odds and Ends has quirky ways to use found items, such as a stunning lampshade made using old 35-mm slides and a shade made from drinking straws. With clear instructions and illustrations throughout, this is a comprehensive guide for anyone wishing to add character and style to their lighting scheme.
