Amos Songor, MBA, Wilmington University--I was born in a small town in western Liberia, about 20 miles or so from both the Sierra Leonean and Guinean borders. Foya Kamara, as its often called, was a buzzing town with merchants and buyers converging on the town during Saturdays market. From there, I began school and eventually graduated from high school in eight years, thanks to double and sometimes triple promotions I received almost every year. My father taught me to work hard and take advantage of every opportunity that presents itself. To succeed, father told me, you must never quit. However, he also always stressed that you must seek opportunities at all times because they sometimes do not avail themselves. I began my independent life when father died while I was in 10th grade. I started a successful small business with my 10,000 college funds that later became a life support for my entire family. My successes in life may not be quantified monetarily, but they are huge indeed in view of where I came from. I have shown an unrelenting spirit, exactly what's required in America. Success in America comes through PERSISTENCE, as my story reveals. So whatever your dreams, whatever your goals, and whatever your motivations in life, keep fighting and never waver. When one method fails, employ another; quitting is not an option. Every disappointment is indeed a blessing. Life is about winning, and to win requires hard work. Interestingly then, PERSISTENCE is indeed THE WAY TO SUCCESS IN AMERICA. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
