Brand New Book ***** Print on Demand *****.A Housefly in Autumn is intended for Young Adults and up. A historical novel, set in 19th century Europe, it follows the life of a young man whose dreams have crumbled down around him. In an act of heroism, he sacrifices his own promising future to save the life of another. Now he must decide whether to cling to the unlikely hope of regaining his old life, or aim his efforts toward making the most of the life fate has dealt him. Though it is difficult to let go of the rewards that life once promised, perhaps the greatest rewards are the ones earned by building new hope from the bits and pieces of wrecked dreams.
