Mark Weber, after retiring for the night, was transported in time to Jerusalem at the time of the final days of Christ. Returning to his own bed, he was in shock when he awoke and realized that it had not been a dream. He met and joined forces with two others who had a parallel experience. They were the only apparent opposition to an evil super genius, who had charmed most people, and who was well along in his intent to be their ruler. This item ships from multiple locations.
